THE NATIONAL GUARANTEE

and

Suretyship Association, Limited.

The only Scottish Office transacting Fidelity-Guarantee Business alone.

Subscribed Capital, £500,000. Invested Funds, £100,000.

INSURANCE against FRAUD and EMBEZZLEMENT.

The question of FRAUD by trusted Officials is so frequently brought into public prominence that the necessity of Employers holding adequate security on behalf of responsible persons whom they employ must be freely admitted. It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper security is held on behalf of those whose funds they administer, and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by The National Guarantee and Suretyship Association, are based on the statistics of upwards of Forty years' experience, and a full Prospectus containing an approximate table of rates for the various classes of risk will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate security to Accountants, Solicitors, and others, in connection with Court appointments and will give full particulars of the special facilities afforded on application.

Very few men are in a position to create immediate capital sufficient to maintain wife and family in the event of their sudden or early death.

It is the Bounden Duty of Every Man having Dependents

to provide against this contingency.

THE SIMPLEST & MOST CERTAIN METHOD

of doing this is to invest a small proportion of income in an Endowment Assurance Policy," by which means provision can at once be made which will secure:—

1. A PROFITABLE RETURN ON SAVINGS,
2. A PENSION FOR OLD AGE, and
3. PROVISION FOR WIDOW AND DEPENDENTS

in the event of the Investor's early death.

The possession of this Policy not only provides an independence for those whom the assured desires, and is morally bound to protect, but it also gives him A MOST VALUABLE SECURITY which may prove to be of the greatest possible service to him in his business.

THERE IS NO BETTER FORM OF INVESTMENT.

Sole
Cleaners
In
Scotland
By the

Process.

This new process of cleaning is a notable advance in method over the ordinary Dry cleaning treatment and produces a quality of work unmistakably better and fresher. . . It applies with equal success to the articles of personal wear and to draperies and furnishings. . . . Prices have not been raised—just the quality.
